ANTI-DUMPING INVESTIGATION No. AD0049

Anti-dumping duties – Suspension Poly (vinyl chloride)(S-PVC) from the United States of America (US)

Note to Public File – Sampling Approach

7 February 2024

As stated in the [Notice of Initiation \(NOI\)](#), depending on the number of parties registering an interest in the investigation, we may consider it appropriate to limit examination to a sample of:

- overseas exporters;
- overseas producers;
- importers;
- categories of goods;
- UK producers;
- transactions for the purchase of the like goods in the UK; or
- anything else we consider appropriate to sample.

Due to the number of responses in the registration period, the Trade Remedies Authority (TRA) will not limit its examination at this stage. It may become necessary to limit examination to a sample of these categories at a later stage in the case.

Further information

Our [Trade Remedies Guidance](#) provides more information about the investigations process, including information about [sampling and limited examination](#). Should you have any questions or comments, please do not hesitate to contact us at AD0049@traderemedies.gov.uk
