

## **ANTI-DUMPING TRANSITION REVIEW No. TD0061**

Anti-dumping transition review on bicycles and certain bicycle parts originating in the People's Republic of China (PRC) (including bicycles consigned from Cambodia, Indonesia, Malaysia, Pakistan, the Philippines, Sri Lanka and Tunisia).

### **Notification of sample**

Given the number of responses in the registration period, the Trade Remedies Authority (TRA), will limit its examination of exporters/overseas producers and UK producers.

#### **Exporter/overseas producer sampling**

Based on the information available to the TRA, the exporter/overseas producer sample will include the following 3 exporters/overseas producers. In accordance with Regulation 56(3)(b) of The Trade Remedies (Dumping and Subsidisation) (EU Exit) Regulations 2019, the sample is based on a statistically valid method. In order that the Chinese bicycle market can be assessed holistically the PRC company with the largest volume of domestic sales has been included in the sample together with the only two PRC exporters that have registered an interest in this review and therefore represent a complete, currently available, dataset of exports to the UK.

1. Oyama Technology
2. Ningbo Tekmax Bicycle Co., Ltd.
3. Ningbo Nanyang Vehicle Co., Ltd

Sampled overseas exporters will be expected to provide adequate responses to questionnaires and allow the TRA to verify the data provided.

#### **UK producer sampling**

Based on the information available to the TRA, the UK producer sample will include the following 2 UK producers. In accordance with Regulation 56(3)(b) of The Trade Remedies (Dumping and Subsidisation) (EU Exit) Regulations 2019, the sample is based on a statistically valid method of the two UK companies with the largest volume of UK sales and the largest range of like goods.

1. Frog Bikes Limited
2. Cyclesport North Limited

Sampled UK producers will be expected to provide adequate responses to questionnaires and allow the TRA to verify the data provided.

## **UK importer sampling**

Based on the information available to the TRA, the UK importers will not be sampled. The following participants will be invited to continue participation in the review.

1. Halfords Limited
2. Anonymous Company

Importers will be expected to provide adequate responses to questionnaires and allow the TRA to verify the data provided.

Parties are invited to comment on this proposed sample via the trade remedies service by **25 October 2024**. Please provide both a confidential and non-confidential response.
