Ceramic Tableware and Kitchenware

**Anti-dumping duties on Ceramic Tableware and Kitchenware from  
the People's Republic of China (PRC)**

## **Note to public file**

**12 July 2024**

### **Business and consumer survey**

We are conducting an online survey to gather the perspectives of upstream businesses and downstream businesses on the anti-dumping duties on Ceramic Tableware and Kitchenware from the People's Republic of China (PRC).

The survey will be open from 12 July 2024 to 19 August 2024 and can be accessed [here](#). Please see Annex A to see the survey questions.

The evidence submitted via the survey will only be used for the [Economic Interest Test](#) and will not be used to assess dumping, injury and/or causation. The survey is anonymous for consumers, and we will only publish a summary of responses. We will not undertake a formal verification process for information gathered from this survey but, for businesses, we may get in touch if we need to clarify any information or publish any evidence provided.

This survey should not be completed by exporters, importers, or UK producers. These parties should instead complete a questionnaire and upload to the [Trade Remedies Service](#). Questionnaires are more detailed and so will allow these parties to submit information relating to other parts of the investigation.

Our preliminary and final reports for this investigation will be published on our public file: [TD0056](#).

We use Qualtrics to deliver our surveys. For more information, please see their [privacy statement](#).

Information submitted will be used anonymously for the Economic Interest Test (EIT).
