Case number: AD0049

**Dumping investigation about Suspension Poly(vinyl chloride) originating from
the United States of America**

Notice to Public File

Following the publication of its Notice of Initiation on 8 January 2024, the Trade Remedies Authority (TRA) has been conducting a dumping investigation in respect of Suspension Poly(vinyl chloride) originating from the United States of America.

During this investigation, several producers / exporters of the goods concerned were approached to provide information, and to be involved with the investigation. A number of these producers / exporters failed to cooperate with the TRA's investigation, and so have been declared non-cooperative.

The following party has been declared non-cooperative, in addition to those parties disclosed in our notice published on 17 May 2024:

- Oxy Vinyls, LP
