Dumping investigation into hot rolled steel plate from the Republic of Korea

Notice to Public File 02 September 2025

Following the publication of its Notice of Initiation on 6 June 2025, the Trade Remedies Authority (TRA) has been conducting a dumping investigation in respect of hot rolled steel plate originating in the Republic of Korea.

During this investigation, several parties registered onto the case. Following the issuing of questionnaires, some of the parties elected to not engage with the remainder of the investigation. These parties have been declared as non-cooperative for the purposes of this investigation, and the TRA may disregard any information provided by these parties in this investigation.

The following parties have been declared non-cooperative:

- Dongkuk Steel Mill (overseas producer)
- OPR Service Ltd (UK importer)
- Salzgitter Mannesmann UK Ltd (UK importer)
