**TRANSITION REVIEW No. TD0027**

**Anti-dumping duties - Ceramic Tiles from PRC**

**Note to Public File**

**17 February 2023**

Following the publication of its Notice of Initiation on 22 September 2022, the Trade Remedies Authority (TRA) has commenced a review of the anti-dumping measure transitioned under the Notice of Determination issued by the Department of International Trade on 31 December 2020, in respect of Ceramic Tiles originating in the People's Republic of China.

On 14 February 2023, the TRA published domestic producer, importer, upstream and downstream questionnaires to the [Public File](#). Due to technical issues, these questionnaires were unable to be viewed on, and/or downloaded from, the public file. As an interim measure these documents were emailed to stakeholders on 14 February 2023.

We assess that those subject to a questionnaire response deadline, for completion of the relevant questionnaires, have not been disadvantaged. As such the questionnaire response deadline will remain 17 March 2023. The questionnaire set has now been re-uploaded to the public file.

Anyone continuing to experience difficulties with accessing the questionnaires is invited to contact the case team at [TD0027@traderemedies.gov.uk](mailto:TD0027@traderemedies.gov.uk).
