Section A – Your company's interest in the case

To register your company's interest in this case, please complete the text boxes below. You should use this form if you are an exporter of the goods subject to review. For a definition of goods subject to review, please refer to the Notice of Initiation.

1. Please describe the role of your company in relation to the goods subject to review, like goods or directly competitive goods:

The Association UKRMETALURGPROM is a non-profit NGO that represents and protects interests of the Ukrainian steelmaking industry. The members of the Association are all Ukrainian steelmaking enterprises, four iron ore enrichment plants, one coking plant and several R&D and educational institutions and commercial entities with general number of employees more than 120 thousand people. UKRMETALURGPROM is the Affiliated Member of the World Steel Association (Worldsteel) since 2016. Association UKRMETALURGPROM is authorized to represent the Ukrainian steelmaking industry in all special international investigations.

2. Please describe your interest in this case:

Ukrainian steelmaking enterprises - members of the Association UKRMETALURGPROM are producers of Non-Alloy and Other Alloy Quarto Plates (category 7, codes 7208, 7210, 7225) and Rebars (category 13, code 7214) that are being exported to the UK within individual safeguard quotas established by the European Commission for metal goods imported to the territory of EU countries.

Section B – Additional information

Use the box below to provide any other relevant information which you think would be useful to help our review.

This may include:

- other parties which you think should be invited to register an interest in the case;
- scope of the review, including product categories and/or custom codes you think should be added or removed, and reasons why; or
- anything else you consider relevant.

Ukrainian metal goods producers and exporters always behaved and continue to behave themselves as reliable partners of UK metal goods consumers, they always follow all EC and WTO norms and meet all requirements of safeguard measures.
The scope of UKRMETALURGPROM's interest in this investigation, first of all, is Non-Alloy and Other Alloy Quarto Plates (category 7, codes 7208, 7210, 7225) and Rebars (category 13, code 7214), but we are interested to be stable exporters of other categories as well.
