Section A – Your organisation’s interest in the case

To register your organisation’s interest in this case, please complete the text boxes below. You should use this form if you are not a UK producer, UK importer or overseas exporter of the goods subject to review, like goods or directly competitive goods. For a definition of goods subject to review/ like goods/ directly competitive goods, please refer to the Notice of Initiation.

1. Please describe the role of your organisation in relation to the goods subject to review, like goods or directly competitive goods:

The Metal Packaging Manufacturers Association is the lead voice of the UK metal packaging industry. The Association supports and represents members’ interests on industry matters related to operational, regulatory and environmental issues.

In addition, the work of the Association promotes the benefits of metal packaging and the sustainable attributes of steel and aluminium through education programmes, industry awards and relevant communication channels.

Our members use one of three metal substrates, either tinplate, tin-free steel or aluminium.

2. Please describe your interest in this case:

As indicated above the MPMA represents the interests of the UK’s metal packaging manufacturers and as such has a direct interest in understanding anything that may impact on their supply of metal substrate, in this case tin mill products.

Section B – Additional information

Use the box below to provide any other relevant information which you think would be useful to help our review.

This may include:

- other parties which you think should be invited to register an interest in the case;
- scope of the review, including product categories and/or custom codes you think should be added or removed, and reasons why; or
- anything else you consider relevant.

Depending upon the detail related to tin mill products any number of our members could be interested in this case.
