## Section A – Your organisation’s interest in the case

To register your organisation’s interest in this case, please complete the text boxes below. You should use this form if you are not a UK producer, UK importer or overseas exporter of the goods subject to review, like goods or directly competitive goods. For a definition of goods subject to review/ like goods/ directly competitive goods, please refer to the Notice of Initiation.

1. Please describe the role of your organisation in relation to the goods subject to review, like goods or directly competitive goods:

*The Government of Indonesia has the substantial interest to defend the interest of Indonesian steel industries in this case.*

2. Please describe your interest in this case:

*The Government of Indonesia was an interested party in the initial Safeguard Investigation on Certain Steel Products conducted by the European Commission. Thus it is relevant for the Government of Indonesia to continue and extend its participation in this investigation to defend the interest of Indonesian steel industries in this case.*
