Section A – Your organisation’s interest in the case	3
Section B – Additional information	4
Section C – Certification	5

Section A – Your organisation's interest in the case

To register your organisation's interest in this case, please complete the text boxes below. You should use this form if you are not a UK producer, UK importer or overseas exporter of the goods subject to review, like goods or directly competitive goods. For a definition of goods subject to review/ like goods/ directly competitive goods, please refer to the Notice of Initiation.

1. Please describe the role of your organisation in relation to the goods subject to review, like goods or directly competitive goods:

The Japan Iron and Steel Federation (JISF) is a nationwide organization that represents the Japanese steel industry. The JISF has 115 member companies and organizations, including companies that produce steel and trading companies that distribute steel products. In this case it represents the interests of Japanese companies which produce and export the products under the review.

2. Please describe your interest in this case:

JISF represents the interests of the Japanese steel producing companies, including those of the products forming the subject of this transition review: 19 product categories.

Primary interest of JISF is whether TRID concludes that the measure should be maintained or terminated after 1 July 2021.

Section B – Additional information

Use the box below to provide any other relevant information which you think would be useful to help our review.

This may include:

- other parties which you think should be invited to register an interest in the case;
- scope of the review, including product categories and/or custom codes you think should be added or removed, and reasons why; or
- anything else you consider relevant.
