

INDEPENDENT AUDITOR'S REPORT

To the Members of JSW Steel Coated Products Limited

Report on the Financial Statements

We have audited the accompanying financial statements of JSW Steel Coated Products Limited (the 'Company'), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the 'Act') with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

JSW Steel Coated Products Limited

Page 2 of 8

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, its profit, and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2016 (the 'Order') issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 1 a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, we report that:
 - (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - (d) in our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - (e) on the basis of written representations received from the directors as on March 31, 2016, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016, from being appointed as a director in terms of section 164 (2) of the Act;
 - (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure 2 to this report;
 - (g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 25 (1) to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure 1 referred to in paragraph 1 under the heading "Report on Other Legal and Regulatory Requirements" of our report of even date

Re: JSW Steel Coated Products Limited ("the Company")

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) Fixed assets have been physically verified by the management during the year and no material discrepancies were identified on such verification.
- (c) According to the information and explanations given by the management the title deeds of immovable properties included in Fixed Assets are held in the name of the Company except for certain immovable properties which were transferred to the Company by virtue of scheme of amalgamation approved by High Court and these are in process of being registered in the name of the Company as noted below:

Total Number of cases	Nature of immovable property	As at March 31, 2016 (Rs. In Crore)	
		Gross block	Net block
4	Freehold land	21.48	21.48
2	Leasehold land	9.67	9.21

- (ii) The inventory has been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable. No material discrepancies were noticed on such physical verification. Inventories lying with third parties have been confirmed by them as at 31 March 2016 and no material discrepancies were noticed in respect of such confirmations.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, the provisions of clause 3(iii) (a) and (b) of the Order are not applicable to the Company and hence not commented upon.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not advanced loans to directors or to a Company in which the Director is interested to which provisions of section 185 of the Companies Act 2013 apply and hence not commented upon. In respect of loans and advances given, investments made and, guarantees, and securities given provisions of section 186 of the Companies Act 2013 have been complied with by the Company.
- (v) The Company has not accepted any deposits from the public.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013, related to the manufacture of steel coils and sheets, and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.

JSW Steel Coated Products Limited

Page 4 of 8

- (vii) (a) The Company is generally regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income tax, sales-tax, service tax, duty of custom, duty of excise, value added tax, cess and other material statutory dues applicable to it.

According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were outstanding, at the year end, for a period of more than six months from the date they became payable.

- (b) According to the records of the Company, the dues outstanding of income-tax, sales-tax, wealth-tax, service tax, customs duty, excise duty, value added tax and cess on account of any dispute, are as follows:

Name of the Statute	Nature of Dues	Amount (Rs. in crores)	Period to which the amount relates	Forum where dispute is pending
The Central Excise Act, 1944	Excise Duty	0.36	2002-04	Bombay High Court
	Excise Duty	29.52	2002-14	Custom, Excise and Service Tax Appellate Tribunal, Mumbai
	Excise Duty	0.73	2014-15	Joint Commissioner of Central Excise, Thane
	Excise Duty	0.42	2015	Additional Commissioner of Central Excise, Thane
	Excise Duty	0.16	2011-13	Dy. Commissioner, Central Excise, Bolar
	Excise Duty	75.65	1993-12	The Commissioner of Central Excise, Mumbai
	Excise Duty	27.06	2008 - 14	Additional Commissioner of Central Excise, Nagpur
	Excise Duty	2.78	2013-15	The Commissioner (Appeals) Central Excise, Nagpur
The Customs Act, 1962	Customs Duty	7.19	2012-13	Commissioner of Customs (import) Special investigation & intelligence Branch (import), Mumbai & Commissioner of Customs (Export), Mumbai
	Customs Duty	0.19	2009	Commissioner of Customs (Appeals), Mumbai
	Customs Duty	0.43	1993-94	Commissioner of Customs (Export), Mumbai
	Customs Duty	0.63	1993-96	Commissioner of Customs (Adjudication), Mumbai

Name of the Statute	Nature of Dues	Amount (Rs. in crores)	Period to which the amount relates	Forum where dispute is pending
The Bombay Sales Tax Act, 1959	Sales Tax	3.62	2000-03	The Sales Tax Tribunal, Mumbai
Maharashtra Value Added Tax, 2003	Sales Tax	3.27	2003-05	The Sales Tax Tribunal, Mumbai
	Sales Tax	69.11	2008-09	Jt. Commissioner (Appeals), Sales Tax, Mumbai
Chapter V of the Finance Act, 1994	Service Tax	31.54	2004-14	Custom, Excise and Service Tax Appellate Tribunal, Mumbai
	Service Tax	1.25	2014-16	Additional Commissioner of Central Excise, Mumbai
	Service Tax	3.76	2014-16	Commissioner of Central Excise, Mumbai
	Service Tax	0.38	2014-16	Joint Commissioner of Central Excise, Mumbai
	Service Tax	0.80	2009-14	The Commissioner of Service Tax, Mumbai
	Service Tax	0.65	2006-08	The Commissioner, Central Excise, Nagpur
	Service Tax	0.20	2006-13	Dy. Commissioner, Central Excise, Kalyan
	Service Tax	0.07	2011	Joint Commissioner, Thane- II
	Service Tax	0.49	2005-11	Asst. Commissioner of Central Excise, Nagpur
The Income Tax Act, 1961	Income Tax	4.39	2013-15	Commissioner Appeals, CIT (Appeals), Nagpur

- (viii) In our opinion and according to the information and explanations given by the management, the Company has not defaulted in repayment of dues to a bank or government. The Company did not have any outstanding dues in respect of a financial institution or dues to debenture holders during the year.
- (ix) According to the information and explanations given by the management, the Company has not raised any money way of initial public offer / further public offer/debt instruments) and term loans hence, reporting under clause (ix) is not applicable to the Company and hence not commented upon.

Annexure 2 referred to the Independent Auditor's report of even date on the Financial Statements Of JSW Steel Coated Products Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

To the Members of JSW Steel Coated Products Limited

We have audited the internal financial controls over financial reporting of JSW Steel Coated Products Limited (the 'Company') as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

JSW Steel Coated Products Limited

Page 8 of 8

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Company caters to both domestic and international markets.

1.2 Basis of preparation

The financial Statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial Statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with Rule 7 of the Companies (Accounts) Rules 2014. The financial Statements have been prepared on an accrual basis and under the historical cost convention except assets and liabilities acquired under the Composite Scheme of Amalgamation and Arrangement which are recorded at respective fair value and derivative financial instruments which have been measured at fair value.

1.3 Significant Accounting Policies

a. Use of estimates

The preparation of the financial Statements in conformity with Indian GAAP requires the Management to make judgements, estimates and assumptions considered in the reported amounts of revenue, expenses, assets and liabilities and the disclosure of contingent liabilities at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

b. Tangible Fixed assets and Depreciation

Fixed assets and Capital Work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any, except assets acquired under Composite Scheme of Amalgamation and Arrangement which were recognized at fair value. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

The Company follows component accounting as required under Schedule II to the Companies Act, 2013. Accordingly, the Company identifies and determines cost of each component / part of the asset separately, if the component/part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. These components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

Leasehold land is amortized on a straight line basis over the period of lease which ranges between 95-99 years.

JSW STEEL COATED PRODUCTS LIMITED**Notes forming part of the Financial Statements for the year ended March 31, 2016**

Depreciation on fixed assets is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management. The Company has used the following life to provide depreciation on its fixed assets:

Sr. No	Particulars	Useful life estimated by the management (years)
1	Factory Buildings	9-40
2	Other Buildings	5-60
3	Railway Siding	15
4	Plant and Equipments	15-30
5	Rolls used in Cold Rolling Mill (included in Plant and equipments)	1
6	Furniture and Fixtures	10
7	Vehicles	8
8	Office Equipments	5
9	Computers	3 or 6

The useful life of certain factory and other buildings and plant and equipment's are different from those indicated in Schedule II of Companies Act, 2013.

Useful lives and residual value of the above class of assets have been assessed based on management's technical assessment and estimates.

The residual value and useful lives of fixed assets are reviewed at each financial year end and adjusted prospectively, if appropriate.

c. Intangible asset and amortization

Intangible assets are recognised only when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the assets can be measured reliably. Intangible assets are stated at cost less accumulated amortization and impairment loss, if any.

Computer Software is amortized over the useful life of 5 years as estimated by the management.

d. Research and development costs

Research costs are expensed as incurred. Development expenditure incurred on an individual project is recognized as an intangible asset when the company can demonstrate criteria specified in AS 26.

e. Impairment of Tangible and Intangible assets

The carrying amounts of assets/ cash generating units are reviewed at each balance sheet date if there is any indication of impairment based on internal/ external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the asset.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

JSW STEEL COATED PRODUCTS LIMITED

Notes forming part of the Financial Statements for the year ended March 31, 2016

f. Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. Current investments are carried in the financial Statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss.

g. Inventories

Inventories are valued at the lower of cost and net realizable value. Cost of inventories comprise all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost is determined by the weighted average cost method.

Semi finished goods/ finished goods are valued at lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost of finished goods includes excise duty. Cost is determined on a weighted average method.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

h. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on dispatch of the goods. The Company collects sales tax and value added tax (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue. Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of liability arising during the year.

Export turnover includes related export benefits.

Sale of Services

Revenue generated from services provided is accounted for on accrual basis.

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "Other Income" in the Statement of Profit and Loss.

Dividend

Dividend income is accounted for, when the right to receive income is established by the reporting date.

JSW STEEL COATED PRODUCTS LIMITED

Notes forming part of the Financial Statements for the year ended March 31, 2016

i. Borrowing costs

Borrowing costs comprises of interest on borrowing, interest incurred on Letter of credit discounted by Vendors and payable to banks, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset are added to the cost of the assets. capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted. All other borrowing costs are expensed in the period they occur.

j. Employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expenditure when an employee renders the related service.

Employee benefits under defined benefit plans, such as gratuity and compensated absences which fall due for payment after a period of twelve months from rendering service or after completion of employment, are measured by the projected unit credit method, on the basis of actuarial valuation carried out by third party actuaries at each balance sheet date. The Company's obligation recognized in the balance sheet represents the present value of obligations as reduced by the fair value of plan assets, where applicable.

Actuarial gains and losses are recognized immediately in the Statement of Profit and Loss.

k. Foreign currency translation-Foreign currency transactions and balances

i. Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

ii. Conversion

Monetary foreign currency assets and liabilities (monetary items) are reported at the exchange rate prevailing on the balance sheet date. All other exchange differences are dealt with in the Statement of Profit and Loss. Non-monetary items such as investments are carried at historical cost using the exchange rates on the date of the transaction.

iii. Forward exchange contracts entered into to hedge foreign currency risk of an existing asset/ liability

Premium / discount on forward exchange contracts is amortised and recognized as an expense/ income over the period of the contract if such contract relate to monetary items as at the balance sheet date. Any profit or loss arising on cancellation/ renewal of such forward exchange contract is also recognized as income or as expense for the period.

JSW STEEL COATED PRODUCTS LIMITED

Notes forming part of the Financial Statements for the year ended March 31, 2016

I. Derivative financial instruments

The Company enters into derivative financial instruments like foreign exchange forward contracts to manage its exposure to foreign exchange risks.

Derivatives are initially recognized at fair value at the date a derivative contract is entered into and are subsequently re-measured to their fair value at each balance sheet date.

The Company designates certain derivatives as either hedges of the fair value of recognized assets or liabilities (fair value hedges) or hedges of highly probable forecast transactions or hedges of foreign currency risk of firm commitments (cash flow hedges). The Company does not enter into derivative contracts for trading or speculative purposes. A derivative is presented under "Other Current Assets" or "Other Current Liabilities".

Changes in the fair value of derivatives that are designated and qualify as fair value hedges are recorded in the Statement of Profit and Loss immediately, together with any changes in the fair value of the hedged item that are attributable to the hedged risk. The change in the fair value of the hedging instrument and the change in the hedged item attributable to the hedged risk are recognized in the same line of the Statement of Profit and Loss relating to the hedged item.

Changes in the fair value of derivatives that are designated and qualify as cash flow hedges are deferred in a "Hedge Reserve Account". The gain or loss relating to the ineffective portion is recognized immediately in the Statement of Profit and Loss. Amounts deferred in the Hedge Reserve Account are recycled in the Statement of Profit and Loss in the periods when the hedged item is recognized in the Statement of Profit and Loss, in the same line as the hedged item.

Hedge accounting is discontinued when the Company revokes the hedging relationship, the hedging instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting. In case of fair value hedges, the adjustment to the carrying amount of the hedged item arising from the hedged risk is amortized in the Statement of Profit and Loss from that date. In case of cash flow hedges, any cumulative gain or loss deferred in the Hedging Reserve Account at that time is retained and is recognized when the forecast transaction is ultimately recognized in the Statement of Profit and Loss. When a forecast transaction is no longer expected to occur, the cumulative gain or loss that was deferred is recognized immediately in the Statement of Profit and Loss.

JSW STEEL COATED PRODUCTS LIMITED

Notes forming part of the Financial Statements for the year ended March 31, 2016

m. Leases:

Where the Company is the lessee

Finance leases, which effectively transfer to the Company substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the lower of the fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets. Lease payments are apportioned between the finance charges and reduction of the lease liability based on the implicit rate of return. Finance charges are recognized as a finance cost in statement of profit and loss.

A leased asset is depreciated on a straight-line basis over the useful life of the asset. If there is no reasonable certainty that the Company will obtain the ownership by the end of the lease term, capitalized leased assets are depreciated over the shorter of the estimated useful life of the asset or the lease term.

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term

Where the company is the lessor

Leases in which the Company transfers substantially all the risks and benefits of ownership of the asset are classified as finance leases. Assets given under finance lease are recognized as a receivable at an amount equal to the net investment in the lease. After initial recognition, the company apportions lease rentals between the principal repayment and interest income so as to achieve a constant periodic rate of return on the net investment outstanding in respect of the finance lease. The interest income is recognized in the Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the statement of profit and loss.

Leases in which the company does not transfer substantially all the risks and benefits of ownership of the asset, are classified as operating leases. Assets subject to operating leases are included in fixed assets. Lease income on an operating lease is recognized in the Statement of Profit and Loss on a straight-line basis over the lease term. Costs, including depreciation, are recognized as an expense in the Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the Statement of Profit and Loss.

n. Taxes on Income

Tax expense comprises of current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the Statement of Profit and Loss.

JSW STEEL COATED PRODUCTS LIMITED

Notes forming part of the Financial Statements for the year ended March 31, 2016

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum alternate tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT Credit Entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

o. Segment Reporting

Identification of segments

The Company's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

Inter-segment transfers

The Company generally accounts for inter-segment sales and transfers at cost plus appropriate margins.

Allocation of common costs

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Unallocated items

Unallocated items include general corporate income and expense items which are not allocated to any business segment.

JSW STEEL COATED PRODUCTS LIMITED

Notes forming part of the Financial Statements for the year ended March 31, 2016

Segment accounting policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial Statements of the Company as a whole.

p. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

q. Provisions

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Where the Company expects some or all of a provision to be reimbursed, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the Statement of Profit and Loss, net of any reimbursement.

r. Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

s. Cash and cash equivalents

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

Method of settlement		Cash	Cash
Exercise Price		700	700

Notes:

1. No Expense is recognised on account of ESOP Scheme in the books of the Company

4. Derivatives:

The Company uses foreign currency forward contracts to hedge its risks associated with foreign currency fluctuations relating to certain firm commitments and highly probable forecast transactions. The use of foreign currency forward contracts is governed by the Company's strategy approved by the Board of Directors, which provide principles on the use of such forward contracts consistent with the Company's Risk Management Policy.

The Forward Exchange Contracts entered into by the Company and outstanding are as under:

Year Ended	No. of Contracts	Type	US\$ equivalent \$ in Million	INR Equivalent (Rupees in crore)
March 31, 2016	13	Sell	80.00	543.94
March 31, 2015	68	Sell	307.84	1,956.36
March 31, 2016	18	Buy	42.83	284.09
March 31, 2015	20	Buy	39.04	247.60

JSW STEEL COATED PRODUCTS LIMITED

Notes forming part of the Financial Statements for the year ended March 31, 2016

Unhedged Foreign Currency

The year-end foreign currency exposures that have not been hedged by a derivative instrument or otherwise are given below:

a. Amounts receivable in foreign currency on account of the following:

Particulars	March 31, 2016		March 31, 2015

5. Employee Benefits:

a. Defined Contribution Plan: Provident Fund

Company's contribution towards Provident Fund for the year Rs.8.51 crore (March 31, 2015 Rs. 8.00 crore).

b. Defined Benefit Plan: Gratuity and Others

The Company operates defined plans, viz., gratuity and other long term benefits for its employees. Under the gratuity plan, every employee who has completed at least five years of service gets a gratuity on departure @ 15 days of last drawn salary for each completed year of service.

The following tables summarize the components of net benefit expense recognized in the Statement of Profit and Loss and the funded status and amounts recognized in the balance sheet for gratuity.

Statement of Profit and Loss

Net employee benefit expense recognized in the employee cost

Particulars	(Rupees in crore)	
	March 31, 2016	March 31, 2015
Current service cost	1.81	1.82
Interest cost on benefit obligation	2.35	2.17
Net actuarial loss recognized in the year	2.75	5.90
Net benefit expense	6.91	9.89
Actual return on plan assets	1.23	1.49

JSW STEEL COATED PRODUCTS LIMITED

Notes forming part of the Financial Statements for the year ended March 31, 2016

Balance sheet Benefit asset/ liability		
		(Rupees in crore)
Particulars	March 31, 2016	March 31, 2015
Present value of defined benefit obligation	(51.85)	(45.97)
Fair value of plan assets#	16.06	16.26
Plan Liability	(35.79)	(29.71)

Changes in the present value of the defined benefit obligation are as follows:

		(Rupees in crore)
Particulars	March 31, 2016	March 31, 2015
Opening defined benefit obligation	45.97	36.53
Current service cost	1.81	1.82
Interest cost	3.65	3.45
Benefits paid	(2.27)	(1.93)
Actuarial loss on obligation	2.69	6.10
Closing defined benefit obligation	51.85	45.97

Changes in the fair value of plan assets are as follows:

		(Rupees in crore)
Particulars	March 31, 2016	March 31, 2015
Opening fair value of plan assets	16.26	14.77
Expected return	1.29	1.29
Contributions by employer	0.50	-
Benefits paid	(1.93)	-
Actuarial gains / (losses)	(0.06)	0.20
Closing fair value of plan assets	16.06	16.26

The Company expects to contribute Rs. 35.79 crore (March 31, 2015 Rs. 29.71 crore) to its Gratuity Plan for the next year.

The major categories of plan assets as a percentage of the fair value of total plan assets are follows:

Particulars	March 31, 2016	March 31, 2015
Share in Plan Assets of JSW Steel Limited	-	100%
HDFC Standard Life Insurance Co. Limited		
- Defensive Managed Fund	9.44%	-
- Secure Managed Fund	87.36%	-
BAJAJ Allianz Secured Fund	3.20%	-

During the current year, the Company has transferred plan assets in its own Group Gratuity Trust namely "JSW Steel Coated Products Limited Group Gratuity Trust". (March 31, 2015- The Holding Company (JSW Steel Limited) operated a Group Gratuity Scheme and pursuant to Composite Scheme of Amalgamation and Arrangement, the share of the Company in the plan assets of the Holding Company of Rs. 14.77 crore had been transferred in FY 2012-13 and accounted in FY 2013-14).

JSW STEEL COATED PRODUCTS LIMITED

Notes forming part of the Financial Statements for the year ended March 31, 2016

The principal assumptions used in determining gratuity obligations for the Company's plan are shown below:

Particulars	March 31, 2016	March 31, 2015
Discount rate	7.99%	7.92%
Expected rate of return on assets	7.99%	7.92%
Salary Escalation	6.00%	6.00%
Attrition Rate	2.00%	2.00%

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Expected return on plan assets is based on expectation of the average long term rate of return expected on investments of the fund during the estimated term of the obligations.

Amounts for the current and previous period are as follows: (Rupees in crore)

Particulars	March 31, 2016	March 31, 2015	March 31, 2014
Defined benefit obligation	(51.85)	(45.97)	(36.53)
Plan assets	16.06	16.26	14.77
Deficit	(35.79)	(29.71)	(21.76)
Experience adjustments on plan liabilities	2.93	9.44	2.00
Experience adjustments on plan assets	-	-	-

Notes:

This being the third year of the Company's active operations, details prior to March 31, 2014 have not been disclosed.

JSW STEEL COATED PRODUCTS LIMITED

Notes forming part of the Financial Statements for the year ended March 31, 2016

6. Segment information:

The Company is primarily engaged in the business of manufacture and sale of Iron and Steel Products. The Company has identified business segments as primary segments, namely Steel and Power (used mainly for captive consumption) and geographical segments as secondary segments namely Within India and Outside India, which in the context of Accounting Standard 17 on "Segment Reporting" constitute reportable segments.
