## Case TD0057

### Transition review of anti-dumping duties applying to certain Aluminium Foil in Rolls originating in the People's Republic of China

#### Note to the public file – corrigendum

Regarding both the [Statement of Essential Facts \(SEF\)](#) (page 48) and [Final Recommendation](#) (page 49), the Trade Remedies Authority (TRA) identified the following typographical error:

*for:* “Annex 2: Overseas exporters subject to 17.6% duty amount (10 companies)”

*read:* “Annex 2: Overseas exporters subject to 14.6% duty amount (10 companies)”

The correct duty amount of 14.6% is included in Annex 1 within both the SEF and Final Recommendation.

The correct duty amount of 14.6% is also included in the Department for Business and Trade’s [Trade remedies notice 2025/24: anti-dumping duty on certain aluminium foil in rolls, originating from the People's Republic of China](#).
