

Notice of the impending expiry of anti-dumping duty on certain aluminium road wheels originating in the People's Republic of China (PRC)

(TD0013)

1. As provided for in regulation 70(3) of the Trade Remedies (Dumping and Subsidisation) (EU Exit) Regulations 2019 the TRA gives notice that the anti-dumping measures mentioned below will expire on the date set out in the table below. The procedure to make an application for an expiry review is set out below.

2. Procedure

UK producers or their representatives may submit a written application for a review. This application must contain evidence that the expiry of the measures would be likely to result in a continuation or recurrence of dumping and injury. Should the TRA decide to review the measures concerned, importers, exporters, representatives of the exporting country and UK producers will then be provided with the opportunity to comment on the matters set out in the application.

UK producers or their representatives who wish to apply for a review are encouraged to contact the TRA's Advisory Service on contact@traderemedies.gov.uk. The Advisory Service can provide guidance and review draft requests.

3. Time limit

UK producers or their representatives may formally submit a written request for a review on the above basis, to reach the TRA at any time from the date of the publication of this notice but no later than three months before the date of expiry therefore by 23:59pm on 25 October 2026. Formal submission must be made via the TRA's online system, [the TRS](#). The measure expires at midnight (00:00) of the day set out below.

Product	Countries of origin/ exportation	Measures	Reference	Date of expiry
Aluminium road wheels machined from a forged blank or assembled from multiple pieces, or machined parts of aluminium road wheels, of aluminium; whether finished or unfinished, whether or not with their accessories and whether or not fitted with tyres.
