Anti-subsidy proceeding concerning boom lifts from The People’s Republic of China (PRC)

The Registration of Goods Subject to Investigation

Niftylift Ltd. (‘the Applicant’) requested in its application that the Secretary of State for Business and Trade (SoS) directs HMRC to register the goods subject to investigation.

The Applicant has requested the registration of imports. The TRA considered the Applicant’s request and determined that the goods should be registered.

The TRA requested that the SoS publishes a notice of goods under Paragraph 29 of Schedule 4 to the Taxation (Cross Border Trade) Act 2018, instructing HMRC to register the importation of the goods subject to investigation. The SoS has accepted the TRA’s request and a link to the published trade remedies notice can be found [here](#).

This public notice came into effect, and the registration of the goods applied, from 20 January 2026.
