Anti-dumping investigation concerning glass containers originating in the People's Republic of China (PRC)

The Registration of Goods Subject to Investigation

The application lodged on behalf of the UK industry in glass containers (the Application) included a request that the Secretary of State for Business and Trade (SoS) directs HMRC to register the goods subject to investigation.

The Trade Remedies Authority (TRA) considered the Application and determined that the goods should be registered.

The TRA requested that the SoS publishes a notice of goods under paragraph 29 of Schedule 4 to the Taxation (Cross-border Trade) Act 2018, instructing HMRC to register the importation of the goods subject to investigation. The SoS has accepted the TRA's request and a link to the published trade remedies notice can be found [here](#).

This public notice takes effect, and the registration of the goods applies, from **24 March 2026**.
