Corrections to "UK Importer Questionnaire Annex"**

12 May 2026

Importer Questionnaire Annex

The Trade Remedies Authority (TRA) is informing importers in the United Kingdom (UK) of corrections to the UK Importer Questionnaire Annex.

The original version of the Annex can be accessed via the public file [here](#), which was published on 21 April 2026.

The new version of the Annex can be accessed via the [public file](#) alongside this note to file, which have both been published on 12 May 2026.

Sampled importers in the UK are requested to complete the new version of the Annex as part of their questionnaire response.

Typo #1: Incorrect date ranges within the injury period

- The old version included incorrect dates within the injury period in various places (for example: "01/10/2021 to 30/09/2022"). These have now been replaced with the correct date ranges within the injury period (calendar years from 2022 to 2025).

Typo #2: Incorrect reference to "Türkiye"

- The old version included an incorrect reference to "Türkiye" in tab B2, cell C37. This has now been replaced with "the PRC".
