

Tire public overseas warehouse officially launched! 12 tire companies signed contracts

Release on 2022-06-21Source : China Rubber Network Author: Chen Zhibing

On June 6, the launching ceremony of Shandong Port Tire Auto Parts Public Overseas Warehouse Project was held in Qingdao.

At the same time, Shangang Overseas Supply Chain (Qingdao) Co., Ltd. was officially inaugurated.

According to "China Rubber" magazine, at the ceremony, 12 tire companies such as Shandong Port Overseas Development Group and Shuangxing Group signed strategic cooperation agreements.

As a key tire auto parts overseas warehouse project in Shandong Province, Shandong Port tire auto parts public overseas warehouse first station is located in the United Arab Emirates, facing the Middle East and Africa tire market, and will subsequently build warehouses in Africa, South America, Southeast Asia and other places.

Shangang Overseas Supply Chain (Qingdao) Co., Ltd., as the main operating company of tire auto parts overseas warehouse project, was registered and established in Qingdao Free Trade Zone on June 6 by Shandong Port Overseas Development Group, Qingdao Qingbao Investment Holdings Co., Ltd., Qingdao Tuwang Investment and Development Center and Qingdao Daohe Supply Chain Management Co., Ltd.

Focusing on the export of China's tires and auto parts products, it adopts the whole supply chain service model of "overseas warehouse + cross-border e-commerce + general trade + supply chain finance + comprehensive service", and creates a large-scale tire trade and logistics complex

integrating tire exhibition and sales, bonded warehousing, logistics re-export, e-commerce, supply chain third-party supervision services and other functions to provide services for tire enterprises.

Shandong Port Group said that during the project promotion, they gave full play to the port's role as the core node in the supply chain of supply and smoothness, coordinated with various business partners to promote the construction of overseas warehouses, helped the transformation and upgrading of foreign trade, and cultivated new advantages in foreign trade competition.

It has created the first public overseas warehouse business form for tire auto parts products in China, which has increased the attention of all walks of life to Shandong Tire.

In the future, Shandong Port Tire Auto Parts Public Overseas Warehouse will rely on the interconnection between the free trade zone and overseas warehouses, build a smart logistics platform, create a "domestic + overseas two-way controllable" supply chain chain, and provide Chinese tire enterprises with a professional and convenient external exhibition and sales platform abroad, timely and safe warehousing and logistics services, and reliable and all-round financial services.
