On April 29, 2019, President Xi Jinping met with Cambodian Prime Minister Hun Sen at the Great Hall of the People.

Xi Jinping pointed out that China and Cambodia are iron friends. China attaches great importance to the development of the comprehensive strategic cooperative partnership between the two countries, and will continue to support Cambodia in pursuing a development path that suits its own national conditions and safeguarding its own legitimate interests. Promote China-Cambodia relations to a new level. The two sides should well implement the China-Cambodia action plan for building a community of shared future, and continuously enhance the strategic value and rich connotation of bilateral relations. It is necessary to deepen cooperation in the joint construction of the "Belt and Road" and build key projects such as special economic zones, airports, and

highways. Cambodia is welcome to actively participate in the construction of the "New Land-Sea Corridor".

Hun Sen congratulated China on the successful hosting of the second "Belt and Road" International Cooperation Summit Forum, and praised the opening ceremony of the Beijing International Horticultural Exposition. Hun Sen said that the "Belt and Road" initiative is a model of international development cooperation. It is China's initiative, but it has become a common cause of all parties involved. The world needs to jointly build the "Belt and Road". Cambodia has benefited a lot from it. The Cambodian side thanks the Chinese side for its long-term valuable help, and is willing to continue to support each other

with the Chinese side, work together to implement the action plan for building a community with a shared future between the two countries, and promote practical cooperation in trade, investment and other fields between the two sides within the framework of the "Belt and Road" initiative.

Ding Xuexiang, Yang Jiechi, Wang Yi and He Lifeng attended the meeting.
