countries

23

russian cities

22

categories

Dear visitors!

×

This service allows you to find out all the information about the companies participating in the exhibition. You can find the company you are interested in by name, by location in the pavilion, by country or by category. Select the desired pavilion or click on the booth on the screen for information about the participant.

📌 Show 141 participants in this pavilion

Layout of the pavilion in the territory of the Expocentre Fairgrounds
