Tire exports to countries along the “Belt and Road” increased by 21.6%

Release time: 2019-09-23 Source: China Rubber Net Author: China Rubber Net

On September 16, the reporter learned from Dongying Customs that from January to August this year, Dongying City exported 18.822 million tire products to countries along the "Belt and Road", with an export value of 6.84 billion yuan, a year-on-year increase of 21.6% and 19.9% respectively.

It is understood that Dongying City, as a well-known rubber tire manufacturing base in China, has a relatively complete tire industry system. At present, the production capacity of all-steel radial tires has reached 36.6 million / year, the production capacity of semi-steel radial tires has reached 157 million / year, and the production capacity of engineering tires Up to 550,000 pieces per year, the comprehensive production capacity accounts for about half of the province and nearly 30% of the country.
