

promote the first tire of the production line of Guizhou Tire's investment project in Vietnam

2021-05-21 20:03

A few days ago, Qianjin Tire (Vietnam) Co., Ltd., an overseas subsidiary of Guizhou Tire Co., Ltd., successfully launched its first all-steel radial tire production line with an annual output of 1.2 million, marking that Guizhou Tire is about to realize the domestic and foreign dual-base production model and form an international A new pattern of high-quality development of modernization, intelligence, and greenness.

It is reported that the Vietnam investment project of Guizhou Tire has three phases, and the total investment of the first phase project is 214 million US dollars. At present, the first phase of the project has completed the construction of 178,000 square meters of factory buildings and the installation and commissioning of 338 sets (sets) of main process and power equipment, realizing the full connection of the production line.
