Keywords: Alliance Enterprise Group One Belt One Road Zhejiang

Zhejiang Daily, Hangzhou, November 21 (Reporter Zheng Yali Bai Zhezhe) At the inaugural meeting of the "Belt and Road" Comprehensive Service Alliance of Zhejiang Province held on the 21st, the alliance was officially established and unveiled. This is the first non-profit service platform in Zhejiang that focuses on serving enterprises participating in the joint construction of the "Belt and Road" .

There are a total of 20 director units of the first session of the "Belt and Road" Comprehensive Service Alliance in Zhejiang Province, including China Power Construction Group East China Survey and Design Research Institute Co., Ltd., Wuchan Zhongda Group Co., Ltd., Provincial Construction Investment Group Co., Ltd., etc. The members of the alliance include relevant provincial-level institutions such as the Zhejiang Development and Planning Research Institute, relevant industry associations and chambers of commerce such as the "Belt and Road" Think Tank Alliance in Zhejiang Province, and financial, legal, accounting, human resources, etc., such as the Zhejiang Branch of the China Development Bank. Security and other institutions, as well as Zhejiang Provincial Energy Group Co., Ltd. and other key enterprises participating in the investment and construction of the "Belt and Road".

As one of the chairman units of the alliance, Hailiang Group has actively responded to the "Belt and Road" initiative since 2013 and fully launched the international strategic layout. "In the future, we will give full play to our first-mover advantages, provide assistance to drive more small and medium-sized enterprises in the province to carry out cross-border mergers and acquisitions

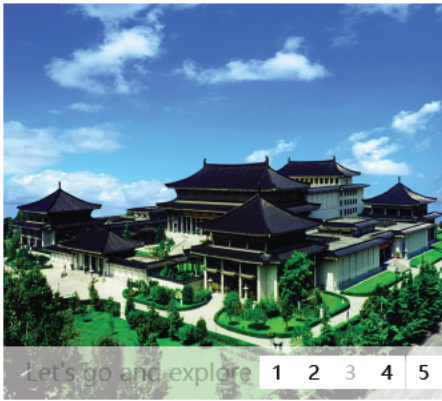

and investment, and provide experience support for Zhejiang enterprises to build a resilient and stable industrial chain supply chain." Secretary of the Party Committee and Chairman of Hailiang Group Wang Lihong said.

It is understood that the alliance will follow the principle of "government guidance, enterprise leadership, joint construction and sharing", lead and drive enterprises in our province to make good use of both domestic and international markets and resources, and help the introduction of high-quality foreign capital, in order to achieve efficient and smooth dual cycle functions Make a positive contribution. The chairman units of the alliance will give full play to their respective strengths and play a leading and exemplary role in expanding overseas markets and participating in international cooperation. The members of the alliance will give full play to their respective professional advantages to provide enterprises with integrated and innovative services in finance, law, accounting, human resources and other aspects.
