On March 18, the opening ceremony of Jinma Rubber Co., Ltd. was held in Malaysia.

Tire World Network learned that Jinma Rubber was invested and constructed by Fulin Tire, and it is currently the only tire production plant in Malaysia invested by a Chinese company.

The tire project was put into production at the end of 2018, and this time is the opening ceremony.

Liu Zijin, Chairman of Fulin Tire, General Manager Li Hengzhe, Deputy General Managers Liu Ning and Liu Shaowei, and heads of relevant departments of the Malaysian government attended the opening ceremony.

After the celebration, Liu Zijin led the attendees to visit the factory together, and introduced the production and operation of the enterprise in detail.

Liu Zijin told TireWorld.com that Jinma Rubber is 100% owned by Fulin Tire and owns the first all-steel tire production line in Malaysia.

The production capacity of the first phase of the project is to produce 3 million semi-steel tires and 500,000 all-steel tires per year, and the production will be expanded in succession according to the situation.

The construction of this tire factory has received financial support from financial institutions such as United Overseas Bank of Malaysia, China CITIC Bank, Bank of China, and Industrial and Commercial Bank of China.
