

Cindy Tire, investing in the construction of 4.0 smart overseas factories!

2019-07-10 10:49:37

On June 15, **Maxtrek**, a subsidiary of Zhaoqing Junhong Industrial Co., Ltd. , broke ground in the "Malaysia-China Kuantan Industrial Park", which will produce passenger car tires and truck and bus tires.

It is reported that the factory is Xindi Tire's first overseas factory, with an annual production capacity of **6 million sets of passenger and light truck tires** and **500,000 sets of passenger and truck tires** . Zhaoqing Junhong Industrial Co., Ltd. stated that the project represents an investment of "**hundreds of millions**" of ringgit (ringgit is the currency unit of Malaysia, 100 million ringgit is equivalent to about 166.19 million yuan).

It is understood that Kuantan is the capital of Pahang state in Malaysia and the largest city on the east coast of West Malaysia. It is located near the mouth of the Kuantan River and faces the South China Sea. Wang Jianmin, deputy minister of the Ministry of International Trade and Industry of Malaysia, said, "I believe that it is a very suitable choice for Sinti Tire to settle in Malaysia-China Kuantan industry. This investment not only brings benefits to the enterprise, but also brings economic benefits to Pahang and Kuantan. develop."
