Giti starts construction of new Anhui tyre factory

Date: 4th April 2023

Author: Xuda Wang

[Comments: 0](#)

On 30 March, Giti began construction of its new tyre factory in Anhui Province, China. The specific location of the project is Changfeng County, Hefei, Anhui. On the 31st, Yu Aihua, secretary of the Hefei Municipal Party Committee, went to the construction site to investigate and stressed that it would be completed and put into operation within 12 months.
