Sinotrans Limited(referred to as "Sinotrans") was incorporated on 20 November 2002 and listed in Hong Kong Stock Exchange in 2003. As the second-tier subsidiary and single logistics platform for China Merchants Group (CMG), Sinotrans Limited aims to build a world-class business platform with intelligent logistics services. According to Armstrong & Associates, Inc' s list in 2020, the third-party logistics and freight forwarding services in the world rank seventh and third respectively.

Sinotrans has formed its three main business segments including agency and related business, supply chain logistics and e-business, which can provide end-to-end supply chain solutions and one-stop services.
