#### Business survey

We are conducting an online survey to gather the perspectives of upstream businesses and downstream businesses on countervailing duties on Polyethylene Terephthalate (PET) from India.

The survey will be open from 02/09/2024 to 01/10/2024 and can be accessed [here](#).

The evidence submitted via the survey will only be used for the [Economic Interest Test](#) and will not be used to assess dumping, injury or causation. We will not undertake a formal verification process for information gathered from this survey but, we may get in touch if we need to clarify any information or publish any evidence provided.

This survey should not be completed by exporters, importers or UK producers. These parties should instead complete a questionnaire and upload to the [Trade Remedies Service](#). Questionnaires are more detailed and so will allow these parties to submit information relating to other parts of the investigation.

Our preliminary and final reports for this investigation will be published on our public file [TS0060](#).

We use Qualtrics to deliver our surveys. For more information, please see their [privacy statement](#).
