[This subsection](#) is repealed June 30, 2030, or thirty days following the date on which one million eight hundred thousand dollars in total rebates have been provided and no overpayment of rebates exists, or thirty days following the date on which rebates cease as provided in paragraph “c”, subparagraph (4), and no overpayment of rebates exists, whichever is earliest.

h. If the amount of rebates issued to an owner or operator under [this subsection](#) exceeds the amount allowed under [this subsection](#), the department shall seek repayment of such excess amount. The repayment of rebates pursuant to this paragraph shall be considered a tax payment due and payable to the department by any person who has received such rebates, and the failure to make such a repayment may be treated by the department in the same manner as a failure to pay the tax shown due or required to be shown due with the filing of a return or deposit form. In addition, the amount of rebates required to be repaid shall constitute a lien upon the real property that comprises the raceway facility that was the subject of the rebate regardless of the identity of the owner or operator of said raceway facility, and the liability shall be collected in the same manner as provided in [section 422.26](#). Amounts required to be repaid pursuant to this paragraph shall accrue interest at the rate in effect under [section 421.7](#) from the date of the warrant issued under paragraph “f”.

i. The director shall adopt rules for the administration of [this subsection](#).
