## 4 rubber technical transformation projects, it is planned to give equipment subsidies!

2022-08-17 17:17

Recently, the Department of Industry and Information Technology of Shandong Province plans to identify 432 projects to be included in the list of "2022 Technological Transformation Equipment Award Supplementary Fund Projects".

4 rubber industry enterprises, including 12 tire companies, entered the public list (see annex).

The relevant departments will reward the enterprise in a certain proportion according to the approved amount of equipment investment.

The public notice period starts on August 8 and ends on August 16.
