

**Appendix F.1.2 – Chinese price quotes**

The Appendix contains information about prices from Chinese producers of the goods subject to review to UK customers.

The documents contain information, which is business confidential by nature and not susceptible to a meaningful non-confidential summary.

The disclosure of the Appendix to third parties would be of significant disadvantage to the parties providing this information. The excel table of Appendix F.1.1 shows Chinese prices to UK customers in anonymized format on a quarterly basis so that third parties can fully exercise their procedural rights.
