### Domestic implementing enterprise name:

Huali Industrial Group Co., Ltd.

### Park Introduction:

Thai-Chinese Rayong Industrial Park Development Co., Ltd. is a modern industrial zone for Chinese investors jointly developed by China Holley Group and Thailand Amata Group in Thailand. The park is located on the eastern coast of Thailand, close to Bangkok, the capital of Thailand, and Laem Chabang Deepwater Port. The overall planning area is 12 square kilometers, including general industrial areas, bonded areas, logistics storage areas, and commercial and living areas. It mainly attracts Chinese companies such as auto parts, machinery, and home appliances. Set up a factory in the garden.

Thailand-China Rayong Industrial Park was recognized by the Chinese government as the first batch of "overseas economic and trade cooperation zones" --- the industrial cluster center and manufacturing export base of China's traditional advantageous industries in Thailand, and finally formed into a manufacturing, warehousing, logistics and commercial living area in Thailand An integrated modern comprehensive park.

As a founding member of ASEAN, Thailand is located in the center of Southeast Asia. It has long attracted people from all over the world with its perfect infrastructure, relaxed investment environment, better market radiation ability, stable society and politics, and friendly and rich culture. investor. The Thai-Chinese Rayong Industrial Park will become the best choice for Chinese enterprises to invest in Thailand with its superior location and transportation advantages, first-class infrastructure, preferential policies and high-quality "one-stop" services!
