Producer Questionnaire Annex - Note to Public File

Note to the public file regarding an amendment to the Producer Questionnaire Annex

On 10 February 2026, the Trade Remedies Authority (TRA) published the questionnaire and annex for UK producers of wire rod products. The TRA has since identified an error in one of the formulas used in the injury annex. This has been amended and the annex has been republished today with the correction. Producers known to the TRA have been contacted directly.

The deadline for completion of the questionnaires remains **13 March 2026**.
