<b>Section C – Certification .....</b>	<b>5</b>

## Section A – Your organisation’s interest in the case

To register your organisation’s interest in this case, please complete the text boxes below. You should use this form if you are not a UK producer, UK importer or overseas exporter of the goods subject to review, like goods or directly competitive goods. For a definition of goods subject to review/ like goods/ directly competitive goods, please refer to the Notice of Initiation.

1. Please describe the role of your organisation in relation to the goods subject to review, like goods or directly competitive goods:

*The CBM represents some 200 British companies active in the metalforming sector, including forging, presswork and sheet metal processing, and fastener and C-parts manufacturing.*

2. Please describe your interest in this case:

*The CBM is generally interested in the case on behalf of its members.*

*It is currently exploring major concerns from its membership over the distortive effect of safeguarding quotas and tariffs on 4A steel product, which appear to currently be seriously jeopardising continuity of supply to key UK industries, undermining UK economic recovery.*

## Section B – Additional information

Use the box below to provide any other relevant information which you think would be useful to help our review.

This may include:

- other parties which you think should be invited to register an interest in the case;
- scope of the review, including product categories and/or custom codes you think should be added or removed, and reasons why; or
- anything else you consider relevant.

*Please answer here*

## **Section C – Certification**

The undersigned certifies that the information supplied herein is correct and complete to the best of their knowledge and belief.

The undersigned certifies that they have the authority to supply the information contained herein on behalf of the Confederation of British Metalforming.
