Subject: Request for Registration of Hyosung TNC Corporation in Anti-Dumping Investigation AD0071 Concerning Hot-Rolled Steel Plate Originating in the Republic of Korea

Dear Sir/Madam,

We are writing on behalf of our client, Hyosung TNC Corporation (Hyosung), an unrelated trader based in the Republic of Korea, to officially request Hyosung's registration as an interested party in the above-referenced anti-dumping investigation (AD0071). Steptoe is acting as the legal representative for Hyosung in this case and a valid Letter of Attorney (LoA) authorizing our representation has already been provided to the Trade Remedies Authority (TRA).

Hyosung is engaged in the export of the product concerned, hot-rolled steel plate, to the United Kingdom and has a direct interest in the outcome of this ongoing investigation. Therefore, we respectfully request that Hyosung be registered as an interested party and be provided with access to all relevant public documents pertaining to this investigation in accordance with the TRA's rules and procedures.

Furthermore, we kindly request that all correspondence and communication related to this matter be directed to Steptoe, as Hyosung's legal representative, at the contact details provided in the LoA.

Should you require any additional information or documentation to facilitate Hyosung's registration, please do not hesitate to contact us directly. We appreciate your prompt attention to this matter and look forward to your confirmation of receipt of this request.

Yours sincerely,

Renato Antonini
