Subject: Response to Statement of Essential Facts – Case AD0059

Date: 6 October 2025

Dear Members of the Trade Remedies Authority,

I write to you on behalf of **Oscar Lubricants LLC**, a UAE-based lubricant manufacturer and exporter, to **contest** aspects of your **Statement of Essential Facts** issued under Investigation AD0059.

Below are our formal comments and objections:

- 1. TRA Refusal to Verify Our Questionnaire Is Unfair and Procedurally Flawed**
- 2. Unjust Grouping of All UAE Exporters Together**
- 3. Our UK Business Is Being Harmed – and TRA’s Measure Enables Brand Duplication and Real Dumping**
- 4. Conclusion and Urgent Request**

We remain available at short notice to undergo verification and provide any supporting documentation required.
