

Brazil - Country Partnership Framework for the Period FY24-FY28 (Inglês)

Brazil, the largest upper middle-income country (UMIC) in the Latin American and Caribbean (LAC) region, aspires to become an inclusive and green high-income country and a leader of the global South. Brazil is also a highly heterogenous country where low- and high-income realities coexist and where an unfinished reform agenda reduces growth potential to a low-level equilibrium. Achieving higher levels of productivity and sustainable growth...
