# Introduction

## About us, this case and this questionnaire

The Trade Remedies Authority (TRA) investigates whether trade remedies are needed to prevent injury to UK industry.

The TRA will carry out a transition review of each trade remedy measure active under the EU system that the UK has decided to maintain after EU exit.

This transition review will consider whether dumping of Organic Coated Steel originating in the People's Republic of China and injury to the UK industry would be likely to continue or recur if the anti-dumping amount currently applicable were no longer applied to those goods.

## Why should I take part?

We are asking contributors and interested parties to complete this questionnaire to inform our review of whether the current anti-dumping measure should be maintained or revoked.

Please refer to our online guidance to understand more about [how we carry out transition reviews into EU measures](#) and the [differences between interested parties and contributors](#).

## How do I respond?

Detailed guidance on how to complete the questionnaire is provided in the [instructions](#) section below.

Please provide all the information requested by 08 July 2024. We may send a notice asking for clarification or supplementary information where necessary. Make sure you provide the sources for any information or data you don't own and clearly state any restrictions on sharing it.

## Where can I find more information?

Our [trade remedies guidance](#) provides more information about our investigations and processes we follow.

If you have any specific questions relating to the case, now or while you're completing the questionnaire, please contact the Case Team at [TD0054@traderemedies.gov.uk](mailto:TD0054@traderemedies.gov.uk). For general information about trade remedies processes, please see our [online guidance](#).

You can also find out more about the regulatory basis of our investigations. The TRA investigates cases under the provisions of *Trade Remedies (Dumping and*

*Subsidisation) (EU Exit) Regulations 2019 as Amended by the Trade Remedies (Amendment) (EU Exit) Regulations 2019 and under the Taxation (Cross-border Trade) Act 2018.*
