H [REDACTED]

[REDACTED] passed your contact details on to me, not sure you are the right person...

As you may be aware we set up Frog Bikes Manufacturing Ltd as a separate entity having been given some incorrect advice [REDACTED]. This has led to additional admin and accounting/audit costs over the years and we would like to remove these by amalgamating FBML into FBL. [REDACTED]

Are you able to assist?

Thanks

Here at Frog we work flexibly - so whilst it may suit me to email now, I do not expect a response or any action from you, outside of your own work time.
