## What MILENYUM METAL can do for customers?

**MILENYUM METAL** has been developing and producing **ironing boards, cloth dryers, and metal houseware products** since 2003 in Kayseri Free Zone / TURKEY and has thus acquired an extensive expertise in production. We added new category **Metal Furniture; bunk bed and metal bed** to our production line in 2014.

Due to increasing demand, we enlarged our total production area from 3.600 m<sup>2</sup> of covered off area to 7.200 m<sup>2</sup> with our new factory in 2011, and in 2015 with our new construction we enlarged our covered off area to 19.800 m<sup>2</sup>. Having based ourselves on the features demanded by large companies, we have created innovative, user-friendly applications.

**MILENYUM METAL** has been named one of Turkey's leading companies exporting in **45 countries** all over the world. Our main goal is to keep striving to have complete customer satisfaction.

Our keen knowledge of production has helped solutions that answer the needs of today's clients and we are implementing **LEAN PRODUCTION** activity at our factory.

**These solutions allow you to:**

- Increase productivity
- Reduce operating cost
- Increase customer satisfaction
- Innovative and Quality Products

Our company has BSCI and SEDEX Factory and Social Audit, and also we have INTERTEK/GS certificate for our ironing board models.
