

**milenyum metal**

## What MILENYUM METAL can do for customers?

**MILENYUM METAL** has been developing and producing **ironing boards, cloth dryers, and metal houseware products** since 2003 in Kayseri Free Zone / TURKEY and has thus acquired an extensive expertise in production. We added new category **Metal Furniture; bunk bed and metal bed** to our production line in 2014.

Due to increasing demand, we enlarged our total production area from 7.200 m<sup>2</sup> of covered off area to 18.000 m<sup>2</sup> with our new factory in 2015, and in 2022 with our new construction we enlarged our covered off area to 25.000 m<sup>2</sup>. Having based ourselves on the features demanded by large companies, we have created innovative, user-friendly applications.

**MILENYUM METAL** has been named one of Turkey's leading companies exporting in **45 countries** all over the world. Our main goal is to keep striving to have complete customer satisfaction.

Our keen knowledge of production has helped solutions that answer the needs of today's clients and we are implementing **LEAN PRODUCTION** activity at our factory.

**These solutions allow you to:**

- Increase productivity
- Reduce operating cost
- Increase customer satisfaction
- Innovative and Quality Products

Our company has SMETA Audit, and also we have INTERTEK/GS certificate for our ironing board models.

## Our Goal

We love people and care about our planet, so we produce housewares product to the life simple.

## Our Vision

Increase the quality of life through innovation by using natural resources efficiently.
