**Subject: Request for Registration of Sebang Metal Trading Co., Ltd. in Anti-Dumping Investigation AD0071 Concerning Hot-Rolled Steel Plate Originating in the Republic of Korea**

Dear Sir/Madam,

We are writing on behalf of our client, Sebang Metal Trading Co., Ltd. (Sebang), an unrelated trader based in the Republic of Korea, to officially request Sebang's registration as an interested party in the above-referenced anti-dumping investigation (AD0071). Steptoe is acting as the legal representative for Sebang in this case and a valid Letter of Attorney (LoA) authorizing our representation has already been provided to the Trade Remedies Authority (TRA).

Sebang is engaged in the export of the product concerned, hot-rolled steel plate, to the United Kingdom and has a direct interest in the outcome of this ongoing investigation. Therefore, we respectfully request that Sebang be registered as an interested party and be provided with access to all relevant public documents pertaining to this investigation in accordance with the TRA's rules and procedures.

Furthermore, we kindly request that all correspondence and communication related to this matter be directed to Steptoe, as Sebang's legal representative, at the contact details provided in the LoA.

Should you require any additional information or documentation to facilitate Sebang's registration, please do not hesitate to contact us directly. We appreciate your prompt attention to this matter and look forward to your confirmation of receipt of this request.

Yours sincerely,

Renato Antonini
