LETTER TO TRA

Dated: 20th July 2023

Dear Sir/Madam,

We, Shandong Yongfeng Tyres Co., Ltd. refer to the notification (Transition Review No. TS0036) regarding the anti-subsidy investigation initiated by Trade Remedies Authority (“TRA”) (“Notification”).

In response to the Notification, we would like to clarify that we only exported 14,608 unit tires (under commodity code 4011 2090 00 and 4012 1200 10) during the period of investigation (1st of Jan 2022 to 31st of Dec 2022). For the 2023 calendar year, we so far only exported a total of 3,050 unit tires into the UK market.

Based on our low volumes of exports and low level of sales in the UK market, we consider it to be a disproportionate amount of management time and legal expenses which we would need to incur to fully take part in the TRA’s anti-subsidy investigation.

In addition, having reviewed the anti-subsidy investigation questionnaire, it requests data which we consider as highly confidential information in our company.

Therefore, we are writing this letter to explain why we are not intending to take part in the anti-subsidy investigation.

Your sincerely

Shandong Yongfeng Tyres Co., Ltd.
