AD0075 and AS0076 – Request for an Extension to Complete Questionnaires

1. Niftylift Limited ("**Niftylift**") acknowledges receipt of the producer questionnaires provided by the Trade Remedies Authority on 27 February 2026 for investigations AD0075 and AS0076.
2. Due to the unexpected absence of certain core financial personnel, Niftylift has experienced delays in compiling the required responses. In addition, some of the information requested must be gathered from related entities, which has proven more time consuming than anticipated.
3. Additional time is therefore required to ensure that all relevant data can be properly collected, reviewed, and verified before submission.
4. Accordingly, Niftylift kindly requests an extension to the deadline for responding to the questionnaires to **10 April 2026**.
5. Niftylift trusts this request will be acceptable and remains committed to providing complete and accurate responses as soon as possible.
