Spartan UK Limited (**the “Company”**) is grateful to the Trade Remedies Authority (**the “TRA”**) for conducting an objective and comprehensive investigation, and the Company fully supports the TRA’s intended final determination and recommendations regarding the application of anti-dumping duties. The said decision will help to protect the Company and other UK producers of hot-rolled plates from dumped imports from the Republic of Korea and, therefore, preserve jobs, tax payments, etc.

Best regards,
