Dear Case Team

**AD0075 Boom Lifts from China (“Investigation”)**  
**Request for extension to file a Third Country Producer questionnaire**  
**Our client: Skyjack México S. de R.L. de C.V. (“SJM”)**

We are writing, on behalf of our client, SJM, to request an extension of time to complete and file the Third Country Producer questionnaire response currently due on 31 May 2026. In advance of the deadline, and as contemplated by the TRA's questionnaire guidance, we respectfully request an extension to file to close of business on 17 June 2026.

One of the main reasons for this request is the complexity of the PCNs and volume of data that must be collated and prepared in order to respond accurately to the questionnaire.

We are conscious of the TRA's case timeline and hope that the TRA will agree that our request can be accommodated without significantly impeding the progress of the investigation. We underline that SJM is treating the preparation and completion of the questionnaire as a priority and intends to cooperate fully throughout. We look forward to hearing from you.

Yours faithfully
