

Appendix 2
NON-CONFIDENTIAL
HMRC Import Statistics

Appendix 2 contains the import statistics for imports into the UK under HS code 39041000. The Applicant has provided the statistics for the Top 10 imports origins on a yearly basis from 2021 to the POI.

As the figures minus EPVC and through traffic are considered confidential (pertaining to Applicant figures used to estimate % of EPVC out of the total PVC imports), below is the HMRC data prior to adjustment.

PRODUCT	Original product scope Poly"vinyl chloride", in primary forms, not mixed with any other substances
