### **Exemption Review No. CE0028**

#### **Anti-dumping duties on certain bicycle parts imported into the United Kingdom from the People's Republic of China**

#### **Initiation of an Exemption Review**

The Trade Remedies Authority (TRA) makes the following Notice under regulation 96E(8) of The Trade Remedies (Dumping and Subsidisation) (EU Exit) Regulations 2019 (the Regulations) to initiate an exemption review into anti-dumping duties on certain bicycle parts imported into the United Kingdom (UK) from the People's Republic of China (PRC).

This review concerns a UK trade remedies measure set out in [Taxation Notice 2020/34](#) (the Measure).

The date of initiation of the review is 17 October 2022.

Where we initiate an exemption review, we will make a recommendation under regulation 96E(8)(b) of the Regulations that the Secretary of State for International Trade suspends the application of the Measure to the review applicant's goods pending the outcome of the review.

#### **INITIATION OF AN EXEMPTION REVIEW**

An application to initiate an exemption review (the Application) has been lodged by The Martlet Group Ltd (the Applicant), an importer.

The Applicant's address is provided as: Units 7-8b Mid Sussex Business Park Folders Lane East, Ditchling, Hassocks, West Sussex, BN6 8SE.

The Application indicates that:

- the Applicant is an importer;
- the Applicant is not related to an overseas exporter which is subject to the Measure; and
- the Applicant is not engaged in circumvention of the Measure.

Having assessed the evidence provided in the Application, we consider that the Applicant has provided sufficient evidence substantiating the need for an exemption review.

#### **ISSUES FOR CONSIDERATION IN AN EXEMPTION REVIEW**

When conducting a review, we may consider:

- whether the Applicant is related to an overseas exporter which is subject to the Measure, and
- whether the Applicant is engaged in circumvention of the Measure.
