

Exh 1DL-7 Changes of Organisational Structure (Updated Exhibit A.3.3)

Non-Confidential Summary - This exhibit contains supporting documents and records concerning changes to 1DL's organisational structure, including business registration changes, registered capital increases, shareholder changes, changes of directors and supervisors, company name changes, and changes of business scope. Disclosure of the detailed content would reveal non-public corporate governance arrangements, ownership and control information, restructuring history, internal management changes, and sensitive registration and compliance records.
