Dear

I am writing to state, that to the very best of our knowledge of the UK steel sector, Pipe Manufacturing Solutions Ltd is the only large diameter spirally welded pipe producer in the UK.

I would like to express my thanks to you, for your continued support, through your membership of UK Steel, of the work that we do on your behalf, as well as the wider UK steel sector. My team and myself are here to support your business and look forward to our ongoing relationship.

Kind regards,
