The scope of this review

Goods Subject to Review

This review covers certain steel products imported into the United Kingdom (UK) as detailed in [Annex 1](#).

In this pre-sampling questionnaire, these goods will be referred to as ‘the Goods Subject to Review’. Any reference to ‘Goods Subject to Review’ in this pre-sampling questionnaire refers to the product categories and commodity codes set out in Annex 1.

Like Goods

In addition to seeking information about your company’s export sales to the UK of the Goods Subject to Review, this pre-sampling questionnaire will also ask about your sales of Like Goods in your domestic market and to third countries. Any reference to ‘Like Goods’ in this questionnaire refers to goods which are like the Goods Subject to Review in all respects, or with characteristics closely resembling them.

Directly Competitive Goods

Directly Competitive Goods are goods produced in the UK which are directly competitive with the Goods Subject to Review.

This can include goods that are not only similar to the Goods Subject to Review, such as a different type or variety, but also include goods that occupy a position of direct competition with the Goods Subject to Review. A Directly Competitive Good may be one that is substitutable with the Goods Subject to Review.

Please follow the instructions for each question to provide the appropriate information regarding the Goods Subject to Review, Like Goods or Directly Competitive Goods.

For more information about this case, you may refer to the Notice of Initiation published at: www.trade-remedies.service.gov.uk/public/cases

Instructions

The Trade Remedies Authority (TRA) will be carrying out a safeguards extension review to consider whether the expiry of a definitive safeguarding remedy would likely result in a continuation or recurrence of serious injury to UK producers of the Like or Directly Competitive Goods.

Who should complete this form

You should complete this form if you are an overseas exporter of the Goods Subject to Review.

Why you are being asked to complete this pre-sampling questionnaire

We are seeking your cooperation as an overseas exporter of the Goods Subject to Review to inform our review of whether the current safeguards measure should expire or be extended. If you are not an overseas exporter, please complete either the relevant Pre-Sampling Questionnaire or the Other Interested Party and Contributor Registration Form.

This pre-sampling questionnaire allows us to collect basic information and data about your company. If a large number of overseas exporters of the Goods Subject to Review complete this pre-sampling questionnaire, we will use the information each exporter provides to help us decide which companies we want to sample for further investigation. If you are sampled, we will send you a more detailed questionnaire to complete.

If you do not complete this pre-sampling questionnaire or the detailed questionnaire, you could be found to be non-cooperating. For more details on how this may affect you, please consult our [operational guidance on non-cooperation](#).

Deadline for response

A completed pre-sampling questionnaire must be submitted to the TRA by no later than **19 September 2023**. If you are unable to provide a completed submission by the given due date and you wish to request an extension, please contact the case team, **SE0041@traderemedies.gov.uk**, and see the TRA's guidance on extension requests for further information.

Note about confidentiality

You will need to submit one confidential version and one non-confidential version of your pre-sampling questionnaire by **19 September 2023**.

Please ensure that each page of information you provide is clearly marked either “Confidential” or “Non-Confidential” in the header.

It is your responsibility to ensure that the non-confidential version does not contain any confidential information, which includes personal contact information, names and signatures.

Please see the [TRA's public guidance](#) for further information on what can be considered confidential and how to prepare a non-confidential version of this questionnaire.

All information provided to the TRA in confidence will be treated accordingly and only used for this investigation (except in limited circumstance as permitted by regulation 17 of the Trade Remedies (Increase in Imports Causing Serious Injury to UK Producers) (EU Exit) Regulations 2019) and will be stored in protected systems. The non-confidential version of your submission will be placed on the public file, which is available on www.trade-remedies.service.gov.uk/public/cases
